广东省水利学会新旧公章印模

新公章印模	旧公章印模
 The new official seal impression is circular with a red border. Inside the border, the text "广东省水利学会" (Guangdong Water Resources Society) is written in red characters around a central red five-pointed star. At the bottom of the seal, the identification number "4401050096289" is printed in red.	 The old official seal impression is identical to the new one, but it is crossed out with a large black 'X' that spans the entire square cell.
